HOCKEYADES VALLÉE DE JOUX

For 30 years, the Hockeyades Vallée de Joux have remained the unmissable summer ice hockey event in French-speaking Switzerland.

Held at the ice rink at the Centre Sportif Vallée de Joux, this event brings together top-level teams as part of their summer preparations and offers the public the chance to enjoy ice hockey in the height of summer.

Over the years, the Hockeyades have become much more than just a sporting event. They are also a time for meeting people, sharing experiences and enjoying each other's company, bringing together supporters, families, volunteers, partners and those involved in the sport, all united by a shared passion.

In 2027, the event will reach a symbolic milestone with its 30th edition.
