

VACATION APARTMENTS, LES REUSSILLES

AU GRIZZ

Au Grizz is a charming 2.5-room apartment on the ground floor of a lovingly renovated, typically Jura farmhouse. The accommodation features a bedroom, a south-facing living room, a kitchen, and a bathroom with a shower. Au Grizz can accommodate up to 4 people with a double bedroom and a sofa bed in the living room. The host also provides a space with a large functional sink outside the apartment, ideal for hikers and mountain bikers who wish to wash their equipment. A cellar and a second storage room are also available.

A terrace with a grill welcomes you for enjoyable moments of relaxation in summer. A garden can also be used.

The accommodation is located at 1000 meters above sea level, on the doorstep of the Franches-Montagnes, surrounded by greenery, and in an extremely quiet neighborhood. Within a 3-minute walk, you'll find the Reussilles cheese dairy and the Jubin service station-shop. The apartment is also 5 minutes away from the La Clef restaurant, the train station, and the bakery tea-room "Chez Nico." For winter sports enthusiasts, the cross-country skiing tracks and snowshoeing trails are less than a 10-minute walk away.
