HOTEL, LES PONTS-DE-MARTEL

HÔTEL-RESTAURANT DE LA MAISON DE LA TOURBIÈRE

Located in the centre of the village of Les Ponts-de-Martel, the Maison de la Tourbière hotel and restaurant welcomes its guests in a peaceful setting, right at the edge of the marsh.

Housed in a carefully renovated century-old building, the property combines historic charm with modern comfort.

The seven rooms and the eight-bed dormitory have been redesigned using natural materials, soft lighting and particular attention to the warmth of wood.

It is a simple and relaxing place where guests can unwind, share a meal and enjoy the slow pace of the valley.

Cyclists, hikers and cross-country skiers will find it an excellent starting point for their outings. A storage room for bicycles and skis is available, with the possibility to wax equipment on site.
