

GUIDED CITY TOUR, LE LOCLE

# GROUP VISIT - URBAN ART

Accompanied by a guide, you'll wander through the streets of Le Locle to discover a selection of street art by well-known artists and rising stars of urban art. It's a real open-air exhibition, retracing the history of the town and its special features: lace, local flora and fauna, and the watchmaking industry that has largely shaped the town, which has been awarded the UNESCO prize for its watchmaking town planning.
