FUN & ADVENTURE, MURTEN / MORAT

CARLA'S ADVENTURE

Accompany Carla the carrot from Kerzers railway station and help her answer the questions. During the 8 stages of this playful trail, you will be given tips and exciting anecdotes about the vegetables of Seeland.

Discover a total of 8 posts over almost 5 kilometres and get to know the Seeland and its vegetable cultivation in around 2 hours. Roam the Seeland and accompany Carla on her voyage of discovery to her vegetable friends.

This playful and informative adventure brings you closer to vegetable growing in Switzerland's largest vegetable-growing region in an interactive way and has many exciting stories about the everyday life of organic vegetable growers and the Seeland.

Along the signposted route, you will receive valuable information that will enable you to help Carla solve the mystery. Experience a journey into the heart of the Seeland with your family!

Are you ready to take up the challenge and uncover all the secrets on the way to the organic vegetables from the Seeland?
