TOUR DES ALPAGES - GOURMET MOUNTAIN BIKE RIDE

Join us on 24 August 2025 for an unforgettable day out on a mountain bike or electrically-assisted mountain bike (EAB), combining sport, local discoveries and gourmet delights.

?

Along the 22km Tour des Alpagnes route, let yourself be carried away by the beauty of the scenery and the richness of the local produce. From the ridges overlooking the Chasseron to the lush green meadows and shady forests, each stage offers a gourmet break in one of the 5 partner chalets and restaurants.

?

On the menu: regional produce, traditional recipes, meeting new people and sharing. It's a great way to (re)discover the Balcon du Jura... with a pedal and a fork!

?
