

CONGRESSES, CONFERENCES, COURSES, SEMINARS, FAIRS, TRAMELAN

FUTURE DAYS 26

The sky as a stage, the future on the horizon. Experience a magical and festive weekend dedicated to the professions of tomorrow, featuring exceptional guests. Our festival offers an immersive journey into future careers with aerial shows, fascinating exhibitors, attractions for the entire family, food stands, bars, music, and even a large playground for the youngest visitors.

Our mission is to spark young people's passion for scientific and technical careers in an innovative and celebratory way, within a warm and family-friendly atmosphere. Through spectacular aerial demonstrations and other immersive attractions, we offer a captivating glimpse into these fields of the future, making our festival a true showcase.
