B&B MONT-CROSIN

The spacious and light-filled rooms are located on the first floor (no elevator). Each room has a private bathroom, a desk, and a small refrigerator. The common areas, situated on the ground floor, include a cozy lounge with board games and books, a sunny terrace with a breathtaking view of the Chasseral, and a dining room. The latter is accessible outside of breakfast hours and is equipped with a kettle, a coffee maker, and a microwave for your convenience. Outside, guests can enjoy a garden with a biotope.

The Eole apartment features an open living space combining a fully equipped kitchen, a dining area, a small cozy lounge, and a large balcony. Two bedrooms, each with their own balcony, and a shower room complete the accommodation. Its through-layout allows you to enjoy a morning coffee facing the sunrise and end the day with an aperitif while admiring a stunning sunset.

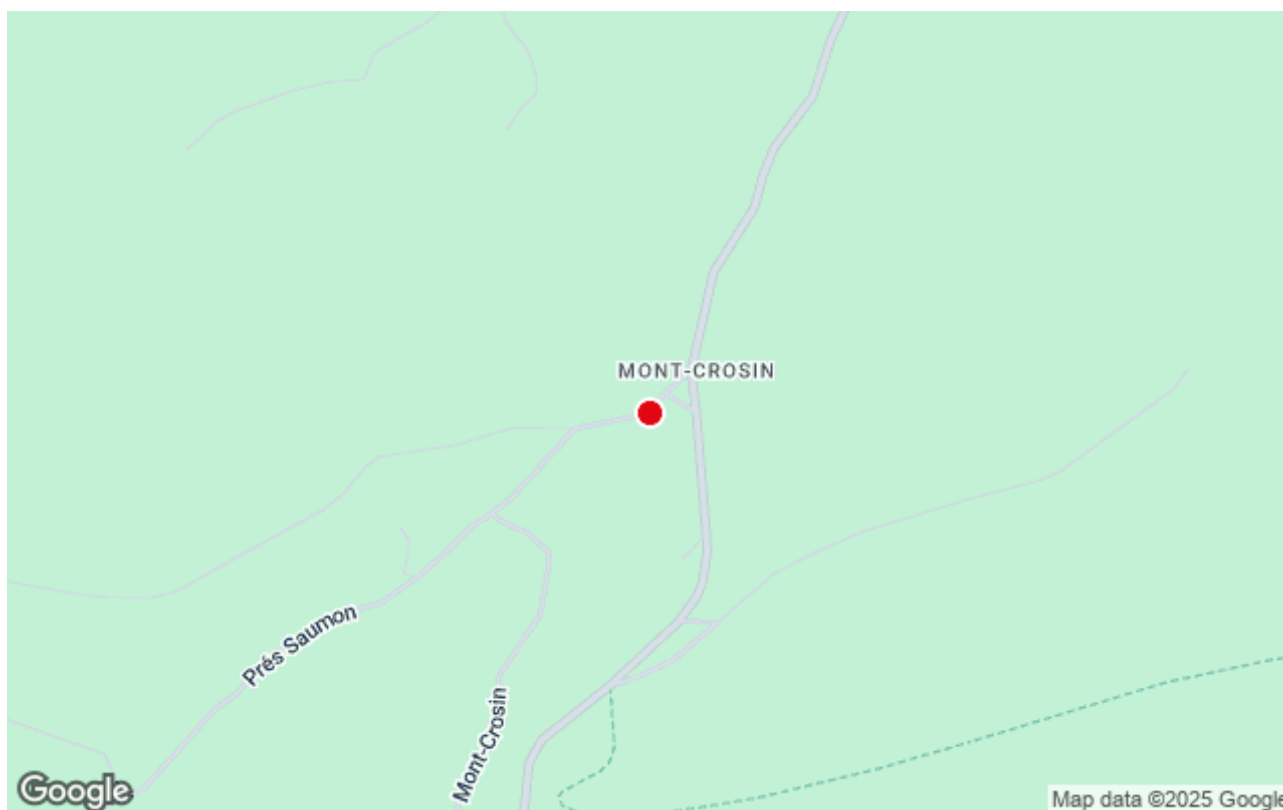

Let yourself be enchanted by the tranquility of unspoiled nature and unwind under the soothing presence of majestic wind turbines!
