

CULTURAL HERITAGE, MOUTIER

THE ENRICHING HISTORY OF MOUTIER

Welcome to Moutier, where every street tells a story. Recognizing the importance of making the city's past accessible and educational, a historical trail has been created. This trail allows history enthusiasts to explore Moutier as a true "open-air museum." Divided into three main areas and lined with 23 explanatory panels of various sizes (A0, A1, A2), the visit becomes a captivating treasure hunt. Stroll through the streets of Moutier and uncover the hidden treasures of its past. This trail, both educational and entertaining, allows everyone, young and old, to immerse themselves in the city's history. Whether you are a curious local or a tourist eager for knowledge, let the explanatory panels guide you through the key moments of history. Explore the trail and get closer to the vibrant history of Moutier. Welcome to Moutier, where history comes to life.
