RESTAURANT CHLOSCHTERMUUR

The restaurant serves freshly prepared seasonal dishes with ingredients from the region. A spacious, modern and light-flooded self-service restaurant with a beautiful outdoor area on the quiet village square awaits you in the centre of the former monastery complex. In changeable weather, you can sit comfortably under the covered shed and enjoy your meal.

Personal, friendly, authentic: the Chloschtermuur is an important part of assisted living in Frienisberg. Staff, residents and guests meet every day in the beautiful rooms of the building. The restaurant is open 365 days a year and is there for you every day.
