CRUISES, BIEL/BIENNE

BSG CRUISES BIEL

For more than a century, BSG has taken passengers across the calm waters of Lake Biel and the Aare. Whether on board a modern vessel or a historic boat, time slows down to reveal the region's charm: vineyard-covered slopes, St. Peter's Island, lakeside villages or the tranquil Thielle canal. Regular cruises connect Biel, Erlach, Solothurn, Neuchâtel and Murten, while themed excursions offer meals on board or seasonal events. Ideal for solo travellers, couples, families or groups, BSG cruises offer a gentle and unique way to explore the treasures of Jura & Three-Lakes.
