# ESCAPE ROOM K.R.A.K.E.N

**Nestled in the very heart of the museum, this new investigation game will plunge participants into the depths of the sea, inspired by the world of Jules Verne and his famous extraordinary voyages, in a setting 20,000 leagues under the sea.**

**Aboard the legendary submarine Nautilus, you take on the role of the crew in an atmosphere of urgency, as a crucial mission awaits you: to restore the vessel in less than an hour in order to escape the tentacles of the fearsome Kraken. In this immersive team adventure, you must use your wits, collaboration and ingenuity to solve a series of complex puzzles, unearth vital clues and make strategic decisions to repair the damage on board the Nautilus. Every action counts in this race against time, where the fate of the ship and its crew hangs in the balance.**

**Designed to offer a unique entertainment experience, each Escape Room booking also includes access to the museum's exhibitions. If you're looking for an idea for a family outing, an evening out with friends or a team-building activity, the K.R.A.K.E.N Escape Room is the perfect choice.**

**Will you be able to overcome the challenges that await you?**
