KLANGSTÄRNMÄRIT ERLACH

For the sixth time, the Klangstärnemärit shines in Erlach in the historic castle courtyard. Art and culture meet Christmas market bustle, embedded in the medieval ambience of the old town. Storytellers captivate visitors by the light of fires and torches. Music and breathtaking fire acrobatics create a unique atmosphere. A diverse range of culinary delights invites visitors to stroll through the market with a cup of mulled wine. An event that is unique in its form and enriches the Advent season in a particularly magical way.
