# JUMPARK YVERDON-LES-BAINS

Whether you're a thrill seeker, keen sportsman or a visitor looking for activities for your kids to do, there is something for everyone at Jumpark in Yverdon-les-Bains! This fun paradise - dedicated entirely to trampolines - offers many ways for the whole family to combine sport and entertainment.

The facility spreading over 770 square metres not only offers simple trampolines that allow participants to jump into foam bins. Other fun attractions include a slackline, pipe, zone dodgeball and basketball hoops for dunkers, not forgetting an area reserved only for 4 to 10-year-olds.

There is also a warm up room to use before you start bouncing in the trampoline nets.
