# RESTAURANT LES CHALETS DE MONTVOIE

Perched up at an altitude of 850 m, the Chalet de Montvoie restaurant would like to welcome you to a warm, woody setting to taste one of its famous fondues.

You'll be able to try other regional products such as ham on the bone, Ajoie sausage or a hiker's platter.

In the summer, the terrace is open and offers a magnificent panorama over the Ajoie plains.

Many walking, cycling and mountain bike routes start from the chalet.

In winter, if there is enough snow, you'll be able to go cross-country skiing or snow-shoeing.
