"La Tablee des Taignons" :

Every last Friday lunchtime of the month, a single large table brings everyone together to enjoy good old-fashioned dishes with childhood tastes and memories. It's a convivial meal, just like the Sunday lunches served in some of the restaurants here in the Franches-Montagnes. It's a unique moment and a lot of fun.

GOOD TO KNOW

- Open on Saturday lunchtime only from 10 people.
- Open every first Tuesday of the month : 12:00-15:00 and 19:00-23:00
