

FUN & ADVENTURE, LE NOIRMONT

INITIUM – SWISS ARMY KNIFE MAKING WORKSHOP

In partnership with Swiza, one of only two Swiss Army knife manufacturers in the world, Initium is giving you the chance to discover the art of knife making.

Whether you're obsessed with artisanship or just curious to see how an iconic knife is made, this workshop will let you choose each component and assemble your own personalised knife.

The Initium experience:

- Workshop open to all – no prior knowledge required
- History of the Swiss Army knife, from its invention to today
- Wide choice of designs and finishes: three collections available (*Signature, Urbex and Legacies*), with different personalisation options
- Unique know-how: guided by an expert, learn about the key assembly steps, from riveting to blade adjustment
- One-of-a-kind souvenir: take home a fully personalised Swiss Army knife, a symbol of precision and tradition

Workshop details:

- Duration: 2 hours
- Languages: French and English (German available on request)
