FÊTE FOLKLORIQUE 100 ANS CHASSERAL

A unique folk music festival on the Chasseral mountain celebrates the 100th anniversary of the Hotel Restaurant Chasseral.

The Neuchâtel-Jura-Bernese Jura section of the Swiss Folk Music Association is joining forces with the Hotel Restaurant Chasseral for a major event, which will take place on Saturday, May 24, 2025.

It is with great joy that the two parties are joining forces for folk music at the summit of the Jura Mountains.

The day will take place in a festive and diverse atmosphere to celebrate the anniversary in style. No fewer than three typical folk music orchestras, a yodeling club, trumpeters, a dance and traditional costume group, and alphorn players are invited. All these joyful melodies will resonate everywhere, from the Seeland region to the Alps and across the Jura to France.

Come and join this event at the summit of this magnificent mountain with its magnificent view. See the enclosed program for details.
