DELÉMONT'BD - COMICS EXHIBITION

In 2025, Delémont'BD celebrates its 11th edition with the presence of 50 comic book creators, book signings, performances, animations, micro-publishing stands, and passionate booksellers. Join the celebration and dive into the world of Swiss and international comics!

This year, the guest of honour is Aude Picault. As both illustrator and scriptwriter, she portrays everyday realities, human relationships, intimate stories, as well as music and travel, with striking sensitivity and nuance.

The full program and the list of the 50 attending artists will be revealed at the end of April. And to extend the experience, don't miss **Les Jardins du dessin** – a free, open-air exhibition trail in the old town of Delémont, from June 6 to August 10, 2025.
