CROSSBOW TRAIL - AVENTURE JURA PARC

Aventure Jura Parc offers a unique crossbow trail in the heart of the Jura countryside. Follow the route through the forest and test your aim at seven crossbow stations.

Try to hit the target or knock down as many tins as you can. If your first shot is wide of the mark, you'll have two more attempts to improve your score.

An original activity that blends skill, patience and concentration, it's ideal for all those who love a challenge in the great outdoors. Will you and your friends, family or colleagues hit the target?
