CHALET CLOSIJOLI

Lying between Undervelier and Soulce, this self-contained studio is ideal for a peaceful stay in the heart of the Jura countryside. The chalet is not connected to mains electricity but has a 220 V supply generated by solar panels, with consumption limited to 800 w, for a simple and sustainable experience.

Two electric bikes are available for rental.

Claude and Silvia give guests an attentive welcome and happily share advice for exploring the region on foot, bike or motorcycle.

Minimum two nights' rental.
