# LYSS ON STAGE

Lyss on Stage is a cultural festival and meeting point for the entire population in the heart of Lyss. The diverse program and the cozy lounge with various games invite you to discover, enjoy, linger, and experience.

The event is organized by clubs from Lyss and is free for everyone. With your donation to the "hat money," you support the performing bands, clubs, and artists!

Lyss on Stage takes place over four weekends (Friday & Saturday) in the month of August. Come by and let yourself be surprised!
