SUNSET JAZZ

Sunset Jazz takes over from the Esta'swing festival, which cannot take place this year. A special edition conceived as a transition with the hope of its return in 2026. Saxophone, trumpet, trombone, clarinet, piano and many other instruments will rhythm these 2 days. The festivities will take place in the historic centre of Estavayer-le-Lac. Free concerts outside and near restaurants will liven up the medieval streets. It is a good opportunity to enjoy a meal on the terraces and to enjoy one or more jazz concerts.
