

ART, EXHIBITION, NEUCHÂTEL

MADE IN LAGOS

Nigerian artist Osaze Amadasun takes over the MEN park with a powerful open-air exhibition. Around 50 works created for the occasion—blending illustration, painting, and street art—offer a vivid portrait of Lagos, Africa's largest metropolis. From local trades to the music and oil industries, the artist reveals the dynamic pulse of a city rising on the world stage through commerce, culture, and politics.
