

VACATION APARTMENTS, MT-CROSIN

CHALET LES BISES

Set at 1,250 metres on the Bises de Courtelary ridge, this detached chalet offers a quiet setting with sweeping views over the Grand Chasseral. The south-west-facing terrace looks out over the Franches-Montagnes and, on clear days, all the way to the Vosges.

Surrounded by meadows and woods, the chalet can host up to 11 guests. Its bright, well-organised interior includes five bedrooms, a fully equipped kitchen and a cosy living area. Board games, table football, table tennis and an outdoor fire pit invite guests to relax and unwind.

Hiking trails, mountain biking and e-bike routes start just nearby. Outdoor pools in Saint-Imier and Tramelan, a wellness centre in Saignelégier – the region offers plenty of activities.
