

NATURAL SITES, HAGNECK

# AAREDELTA HAGNECK

A few steps away from the Hagneck hydroelectric plant, the Aar Delta nature reserve stretches across a nationally significant alluvial landscape. Shallow waters, gravel banks, wet meadows and alluvial forest form a living mosaic, home to a wide range of species. A standout feature is the shallow gravel islet, an important nesting and resting site for waterbirds.

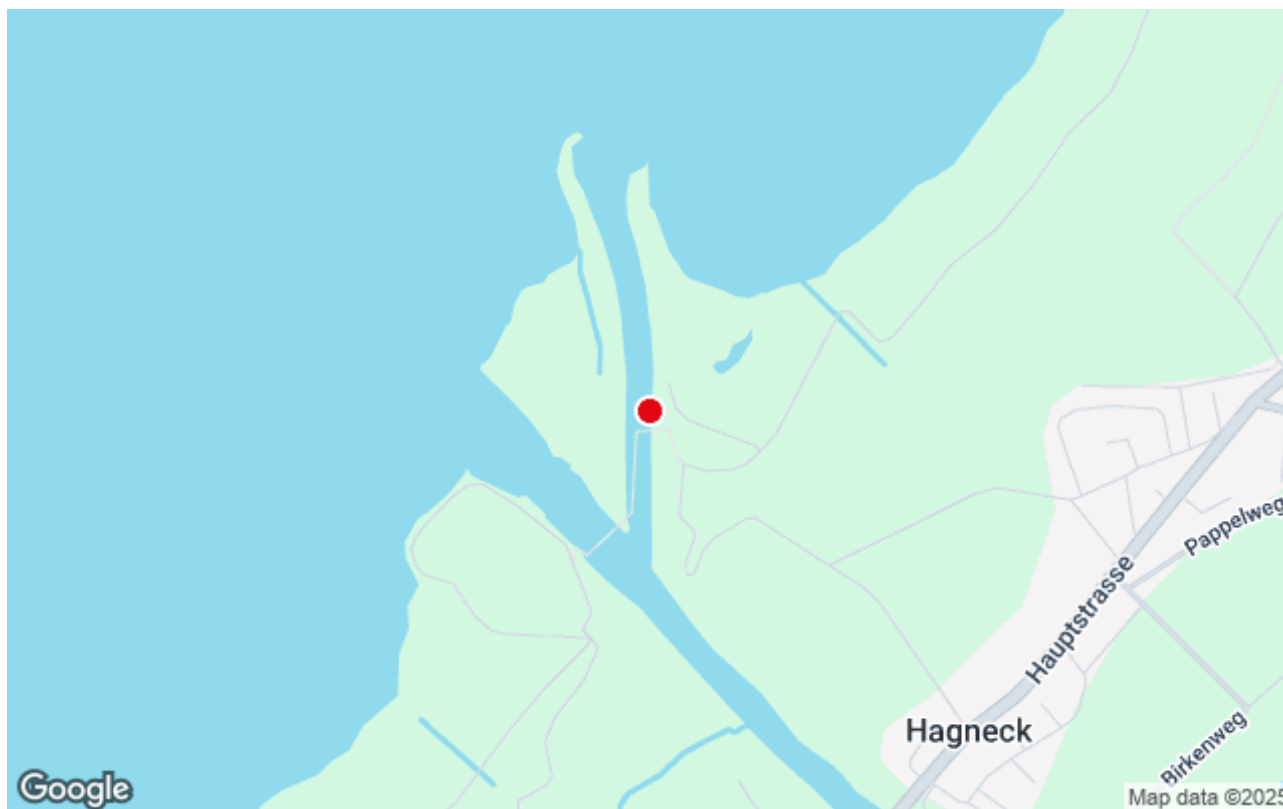

## GOOD TO KNOW

- In the protected area, it is prohibited, among other things, to:
- enter water bodies and riparian vegetation,
- leave marked paths,
- ride horses outside designated trails,
- set up tents, caravans, or other shelters,
- camp,
- disturb, capture, injure, or kill animals, as well as damage or destroy their habitats, shelters, nests, or clutches,
- release animals.
