

EXCURSIONS, GUIDED TOURS, ANIMATION, MONT-SOLEIL

NIGHTS OF THE STARS

This year at the observatory, the focus is on asteroids!

Explore these mysterious celestial travellers that criss-cross our Solar System. A captivating scientific adventure awaits you.

Starry Night is free and no booking is required.

The programme includes a show in the planetarium and observations of the sky through the observatory's telescopes.

On-site catering will be provided by Sapore di Pinsa. Pinsa is a culinary experience distinct from pizza, with its unique dough, oval shape and distinctive texture, while sharing the convivial aspect of sharing and enjoying a variety of toppings.
