

FESTIVITY, FESTIVAL, NIDAU

AUGUST 1 AT LAKE LIVE FESTIVAL

When Lake Biel's shoreline turns into an open-air stage, it's time for lakelive Festival. On Swiss National Day, cult band Patent Ochsner returns for a night full of emotion and singalongs. The unshakable Milky Chance bring their signature indie-pop sound to the stage. Swiss favourites like Anna Rossinelli, Manillio, Death By Chocolate and Julie Meletta complete the line-up, along with rising acts such as Lena & Linus, Lisa Oribasi and What Rules. With concerts, food stands and lake views, visitors enjoy a truly summery atmosphere in Biel.
