

RIDING, GRANDFONTAINE

MINIATURE DONKEYS AT MAISON CHALET

Maison Chalet offers a range of activities with miniature donkeys to discover the region. Activities are available from 18 months to 99 years, and last between 1 and 3 hours depending on the activity.

Donkeys are naturally slow-walking animals, very gentle and love human contact. Miniature donkeys cannot be ridden because of their small size.

PRICES

Individual rates (children can be alone)
