

FUN & ADVENTURE, DELÉMONT

# BLOCUP

BlocUp is a unique space dedicated to bouldering, located in the heart of Delémont. Open to everyone, this indoor centre offers a fun and sporty experience in a warm and relaxed atmosphere. Whether you're a beginner or an experienced climber, an adult or a child, everyone will find their challenge... and, above all, enjoyment! Bouldering is practiced here without ropes or harnesses, on walls up to 4.5 metres high, with thick mats to ensure optimal safety. Routes are varied, regularly updated, and graded by difficulty level, allowing everyone to progress at their own pace.

BlocUp is also a space for life and community:

- A training and strength zone,
- New routes every week,
- Supervised classes for beginners and advanced climbers,
- The opportunity to organise birthdays, company events or group outings in a unique and friendly setting.

The climbing gym is managed by the Phil Steulet Association, a group of passionate locals. A true community has formed around BlocUp, built on passion, pushing one's limits and mutual respect.
