

VACATION APARTMENTS, GOUMOIS

STUDIO - PRÈS DU VIEUX VERGER

Our fully renovated 60 m2 apartment sleeps up to four people. It lies on the first floor of a farmhouse nestled in the Doubs hills, between the villages of Goumois and Pommerats. Surrounded by horses in the summer, it's a peaceful place to relax far away from urban traffic and pollution. Its private terrace set beside an orchard promises the perfect spot to sip your morning coffee, laze on a sun lounger or enjoy an al fresco dinner while admiring stunning views. The spacious kitchen is fully equipped, and the bathroom offers a toilet, shower and hair dryer. The 160 x 200 cm bed lies on the mezzanine (reached by a fairly steep ladder), while the two armchairs in the lounge can be easily turned into 100 x 200 cm beds. Opportunities abound for exploring the great outdoors in the area, including walking, cycling and canoeing. A shelter is available for storing and charging bikes. There is a free outdoor parking space, as well as a charging station (billed separately) for electric cars. The nearest public transport can be found in Goumois (5 mins' drive and 40 mins' walk away), along with a shop selling essentials. There are more shops, a leisure centre and a train station in Saignelégier (7.5 km away). The region also boasts fine restaurants that are well worth a detour.
