

FESTIVITY, FESTIVAL, LE LANDERON

THE MEDIEVAL FESTIVAL OF LE LANDERON

At the end of August, Le Landeron's old town turns into a medieval celebration with minstrels, craftspeople, horseback shows and epic battles. Three festive days filled with taverns, markets and a Templar camp. Don't miss the King's delightfully absurd public bath—watch out for splashes! Ancient music, storytelling and fire shows make it a lively experience for all ages.
