## LET'S DANCE WORKSHOP

It's time to hit the dance floor and swing your hips to hot rhythms. The DJ plays a mix of music for various ballroom dances such as disco fox, jive, cha-cha-cha, rumba, salsa, bachata, kizomba, samba, Argentine tango, mambo, merengue, as well as waltzes, foxtrot, slow fox, quickstep and many more. All this in a relaxed and beautiful atmosphere, with modern and lively music on an air-conditioned dance floor.

The admission price includes an attractive slow waltz workshop. Let Andrea Wüthrich from the First Steps Dance dance school inspire you to take up this dance.
