GUIDED TOURS OF THE EXHIBITION “LOUIS BOSSET (1880-1950): FROM COMPASS TO TROWEL”

Three different guided tours allow visitors to discover Louis Bosset's private architecture, his influence on the urban space, and his work as a restorer and archaeologist in the historic center, offering a comprehensive overview of his legacy.

- Sunday, January 18, 2026: guided tour of the historic center “Louis Bosset - Archaeologist and restorer of the Abbey site”
- Sunday, February 8, 2026: guided tour of the temporary exhibition “Louis Bosset (1880-1950): from compass to trowel.”
