PHOTOGRAPHY EXHIBITION IN TOWN "ESCARGORAMA"

The exhibition “ESCARGORAMA” takes place in eight locations throughout the medieval town and showcases the unusual universe of the American duo Aleia Murawski and Sam Copeland. Through miniature dioramas, the artists set their snails against backdrops inspired by the American Midwest, where everyday scenes, oddity, and the cinematic aesthetics of the 1980s intersect.

3 October 2026, 11:30 AM: Opening in the presence of the artists at Rempart Bar (Rue du Château 12, 1470 Estavayer-le-Lac)

OPENING HOURS

From 3 Oct 2026 to 17 Nov 2026
