

ART, EXHIBITION, LE LOCLE

AUTUMN AT THE MBAL

Combining sculpture, painting, photography and design, a new exhibition cycle brings together internationally acclaimed artists and curators. Their works explore the links between contemporary creation and artistic heritage, between use and contemplation, history and the present. Experimentation, reinterpretation and visual poetry intertwine, inviting visitors to rethink their relationship to art and the world.

OPENING HOURS

From 11 Oct 2025 to 1 Mar 2026

Wednesday - Sunday

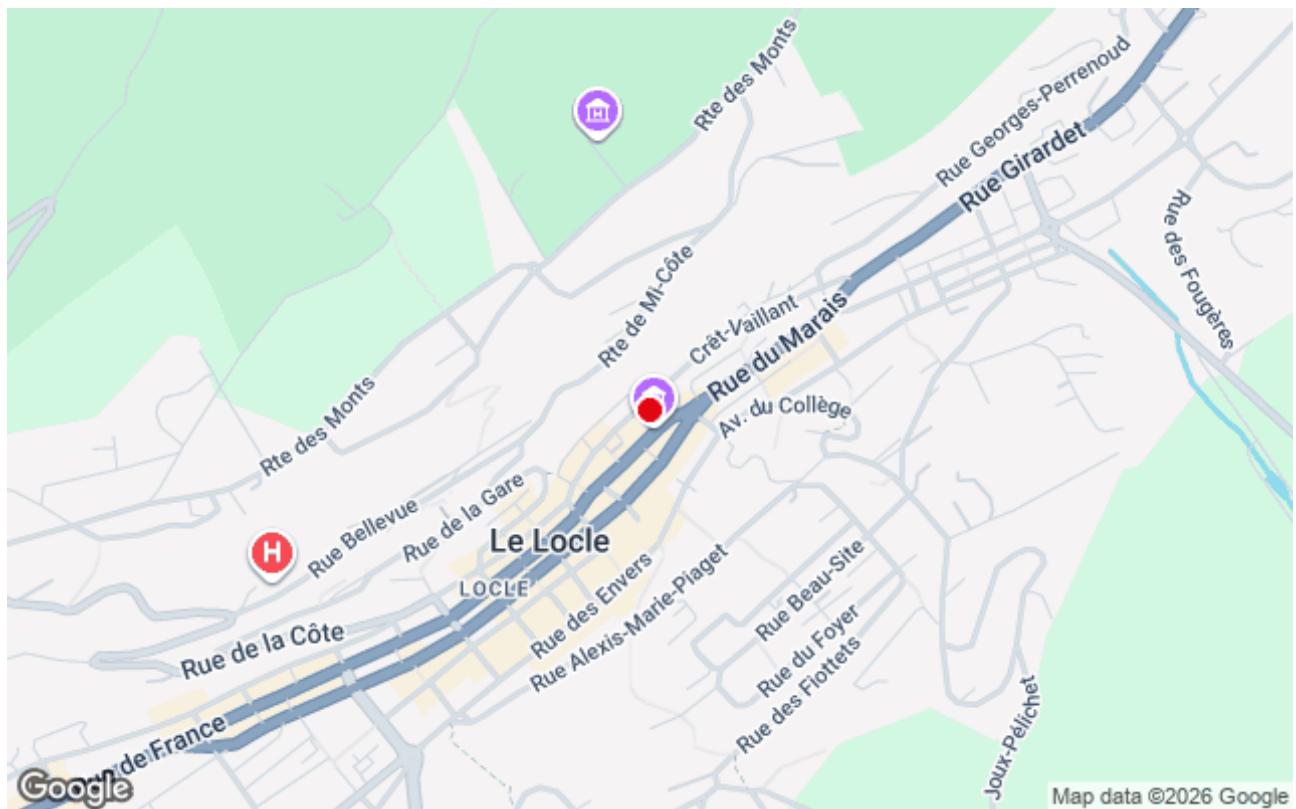

11:00 - 17:00
