XILI MACADAMIA SHOW

A joyful, interactive show for children featuring Xili, a little dog puppet, and her “human mom” Maya.

The “Xili Macadamia Show” is full of surprises: Xili has a thousand things to tell – what exciting things she discovered in the attic, the magic tricks she knows, and why her full name is “Xili Macadamia von Ellwoods.”

She is already looking forward to singing and dancing with the children – and if they help her perform her magic tricks, she will be even happier!

Duration: approx. 40 minutes

Recommended age: 4–8 years

Language: Swiss German

Location: in the center of Biel, near Zentralplatz
