CHRISTOPH SIMON *AUF KURS"

In his sixth solo program, "Auf Kurs" (On Course), Christoph Simon builds a bridge across the urban-rural divide, turns strangers into friends, and pulls punchlines out of his hut keeper's shirt sleeve. Look forward to an evening full of virtuoso lightness.

Christoph Simon—
author, storyteller, and
cabaret artist with humor and melancholy.

The gifted storyteller
captivates his audience with his calm
and presence, his narrative threads,
delving into funny and absurd
situations but also philosophical
thoughts about life and people.

He has received numerous awards as an author, poetry slammer,
and cabaret artist,
and in 2018 he won the prestigious
satire prize "Salzburger Stier."
