

FUN & ADVENTURE, BUTTES

# BALL GAME

At La Robella station, ball games transform walking into a fun adventure! Armed with a ball collected from the chairlift ticket office, visitors follow a 4.3 km trail dotted with five wooden installations, each crafted by a local carpenter.

As they descend, the balls travel through footbridges, tunnels and spirals, while children eagerly advance towards the next challenge. This project invites visitors to rediscover the mountains in a gentle way, combining nature, fun and local spirit.
