CAMPING, LES BIOUX

FARM CAMPING

Situated just 5 minutes walking distance from the village centre, the setting is peaceful and ideally located near the local grocery store as well as the bus stop. The scattered shade trees provide just enough shade to the terraced campsites without taking away from the joys of summer sunshine.

The campsite is equipped with top quality showers and bathroom facilities.
Campers can enjoy boats, paddle-boats, wind-surfs, table-tennis and other games that are available on the beach of the campground free of charge.
Camp grills are made available for campers who would like to barbeque in front of their tents or caravans and the lakefront picnic shelters are perfect for hanging out on the lakeside or for enjoying a pleasant evening under the stars.
