SUITE D'HÔTES - LE DONJON

Ensnounce yourselves in a loft suite where old timber and natural stone combine in a sophisticated yet understated decor. This snug hideaway promises a rare privilege: a clear view of the castle, visible from the king-size bed. It's a majestic panorama that provides a unique backdrop to your stay. The bathroom invites relaxation with its corner bathtub and ample light. A dining area furnished with soft fabrics also doubles as a peaceful and inspiring workspace. And a discreet mini fridge completes the suite for added convenience. Every detail has been carefully chosen to create an intimate and unforgettable atmosphere where time seems to stand still beneath the castle's splendour.
