# TASTE LIBRARY – EAT THE CITY!

«Taste Library – Eat The City!»

mit Seraina Grupp

This edible installation invites you to map the city through taste. Artist Seraina Grupp shares the story of her hometown, from her childhood garden to today's pavement gaps. Collectively, we will explore recipes, memories, and tastes of Biel, guided by research into stories and taste profiles that silently disappear in a mega-industrial food system.

Costs: Free of charge

Location: Foyer

An offer from the EcoArtLab at the HKB (BFH).
