SPORTS & LEISURE, LE SENTIER

LAC DE JOUX WATER SKI AND WAKEBOARD CLUB

The Club welcomes adults and children alike to come and discover the pleasures of wakeboarding and water-skiing in the ideal setting of the Lac de Joux. The Baby Ski allows even the youngest to experience their first sensations, while the more experienced skiers can have a try at water ski jumping. You can even have fun through friendly competition with your friends or measure your own progress thanks to the timed slalom course.
