CYCLING & MOUNTAINBIKING IN THE VALLÉE DE JOUX

For road cyclists, several itineraries are offered. Some of the most popular itineraries include: the tour of the Lac de Joux, the tour of the watchmaking farms and the ascension of the three passes.

Away from the noise of motorized vehicles, the numerous mountain bike possibilities will more than satisfy enthusiasts of all levels. From beginners to accomplished mountain bikers, everyone can pedal at their own rhythm while discovering the SuisseMobile marked itineraries of the Grand Risoud Bike N°995, the Mont-Tendre Bike N°996 and the Grande Traversée Jura Bike N°3.

GOOD TO KNOW

- Documents available free of charge at the Tourism Office
- For reasons to do with the protection of the fauna, the local itineraries Grand Risoud Bike and Mont-Tendre Bike are accessible starting on July first.
