

BED & BREAKFAST, CHAMBRELIEN

LA CHASSAGNE

Guestroom with a view of the lake, near the Gorges de l'Areuse and the Creux-du-Van.

La Chassagne offers a double room with a private bathroom. Upon request, an attic dormitory with 3 additional beds is also available, as well as a cabin in the garden, without electricity but equipped with a wood stove.

At La Chassagne, the host is particularly mindful of the interactions between the house and its environment. The aim is to minimize the environmental impact of domestic activities, following the principles of regenerative economy.

Rainwater is collected, water for the sanitary facilities is heated by thermal panels, part of the electricity comes from solar panels, heating is provided by a wood stove, and organic waste is recycled, among other initiatives.

For ecology enthusiasts, solar ovens and composting toilets are, subject to availability, also provided.
