

TOURIST TRANSPORT, BIEL/BIENNE

BIELERSEE NAVIGATION COMPANY

The Bielersee Navigation Company (BSG) is the largest tourism enterprise in the Three-Lakes Region, welcoming over 300,000 passengers every year.

Its fleet of nine boats cruises between Solothurn, Biel/Bienne and Murten, gliding past vineyards, lakeside villages and the peaceful St. Peter's Island. Whether onboard or docked, guests can enjoy a wide range of culinary options, along with themed cruises and special events that create unique experiences on the water.

Whether you are travelling as a couple, with friends, family or in a group, these cruises offer a serene way to discover exceptional landscapes. The company is committed to sustainable tourism and accessible travel, notably through its solar-powered catamaran, the **MobiCat**.

GOOD TO KNOW

- Want to host a memorable event? The boats can be rented for private occasions—contact the office for more information!
- Wheelchair accessible
