ZONTA FILMPODIUM

As part of the international campaign "16 Days of Activism Against Gender-Based Violence," the Zonta Club Biel invites you to a special afternoon screening of *Maria Montessori* (2024), a film portraying the life of a visionary woman who laid the foundation for peaceful, respectful, and non-violent education.

The event also includes a short expert input on non-violent education as a contribution to world peace.

A childcare service (registration required) is available during the event.

During this Advent season, let us remember that some of the most meaningful gifts do not need wrapping: peace and non-violence.

All proceeds will support educational projects for women and children.

OPENING HOURS

The 14 Dec 2025

Sunday

13:00 - 15:45
