RESTAURANT ATELIER GRENG

Valérie Bieri and Michel Hojac are the hosts behind Atelier Greng, which opened in April 2025. After five years at La Pinte du Vieux Manoir, they are now fulfilling their dream and inviting guests to become part of it.

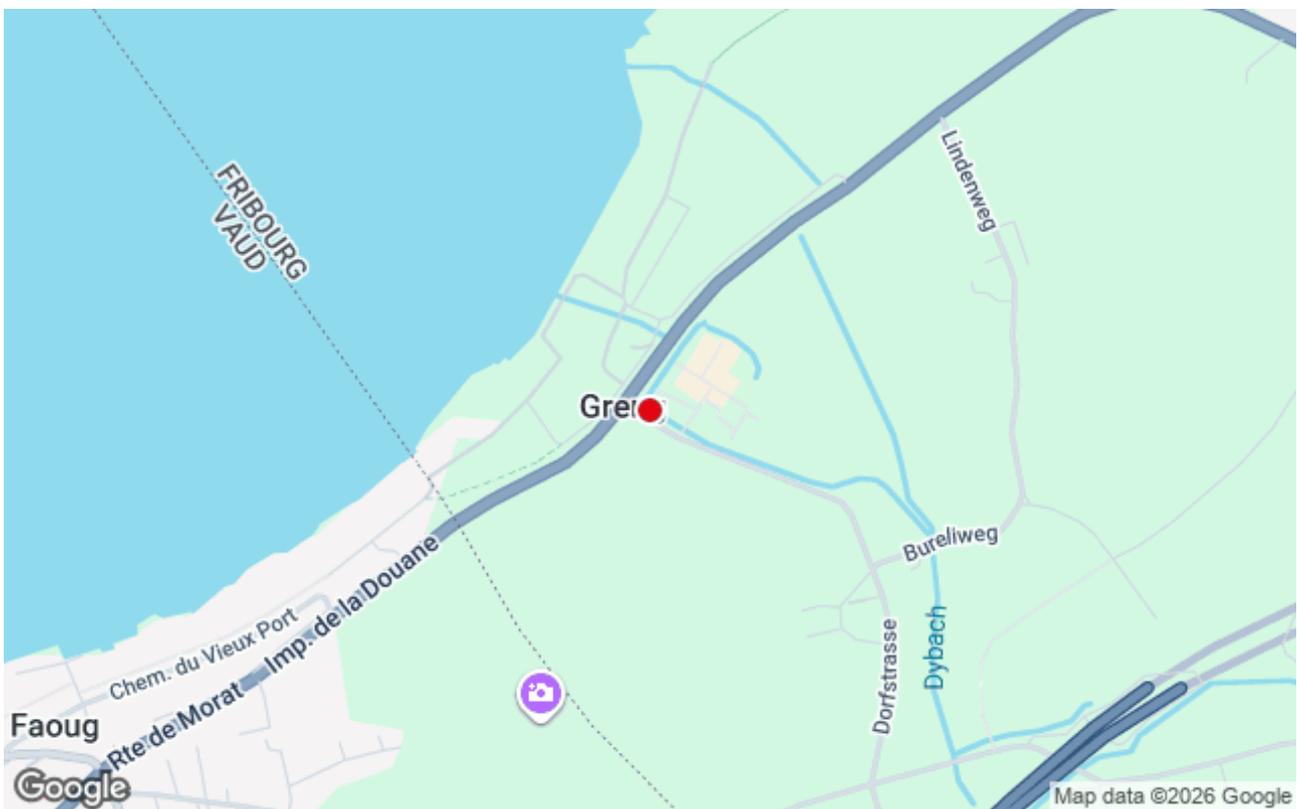

In the castle quarter of Greng, just a stone's throw from Murten, a place full of passion has been created, where gastronomy becomes a journey of discovery and pleasure takes center stage. Every plate and every glass bears their personal signature – authentic, heartfelt, and an experience not to be missed.
