GRAVEL TRANS JURA

The «Gravel Trans Jura» is an unforgettable bike packing adventure that will take participants along the approximately 400 km route from Baden to Nyon for the third time from June 4 to 10, 2026, covering over 11,000 meters of elevation gain. It is an epic adventure – with like-minded people who become friends along the way. There is no competition, just the freedom to set your own pace and lifestyle and enjoy the experience in the unique landscape of the Jura.
