

BRUNCH, MURTEN

KORNHAUS COFFEE HOUSE

In the heart of Murten's historic old town, the Kornhaus dating back to 1520 shines in a new light. Once used as a grain store, it is now a welcoming coffee house that invites guests to relax and enjoy. Whether you start your day with a specialty coffee and homemade granola, enjoy a crispy pinsa or a refined platter at lunchtime, or round off your evening with a refreshing coffee spritz – regional products, creative recipes and a unique atmosphere come together here. The interior blends rustic charm with contemporary design: solid stone walls, exposed wooden beams and warm wooden floors meet modern elegance, creating an ambience that reflects the building's history while feeling timeless and inviting.

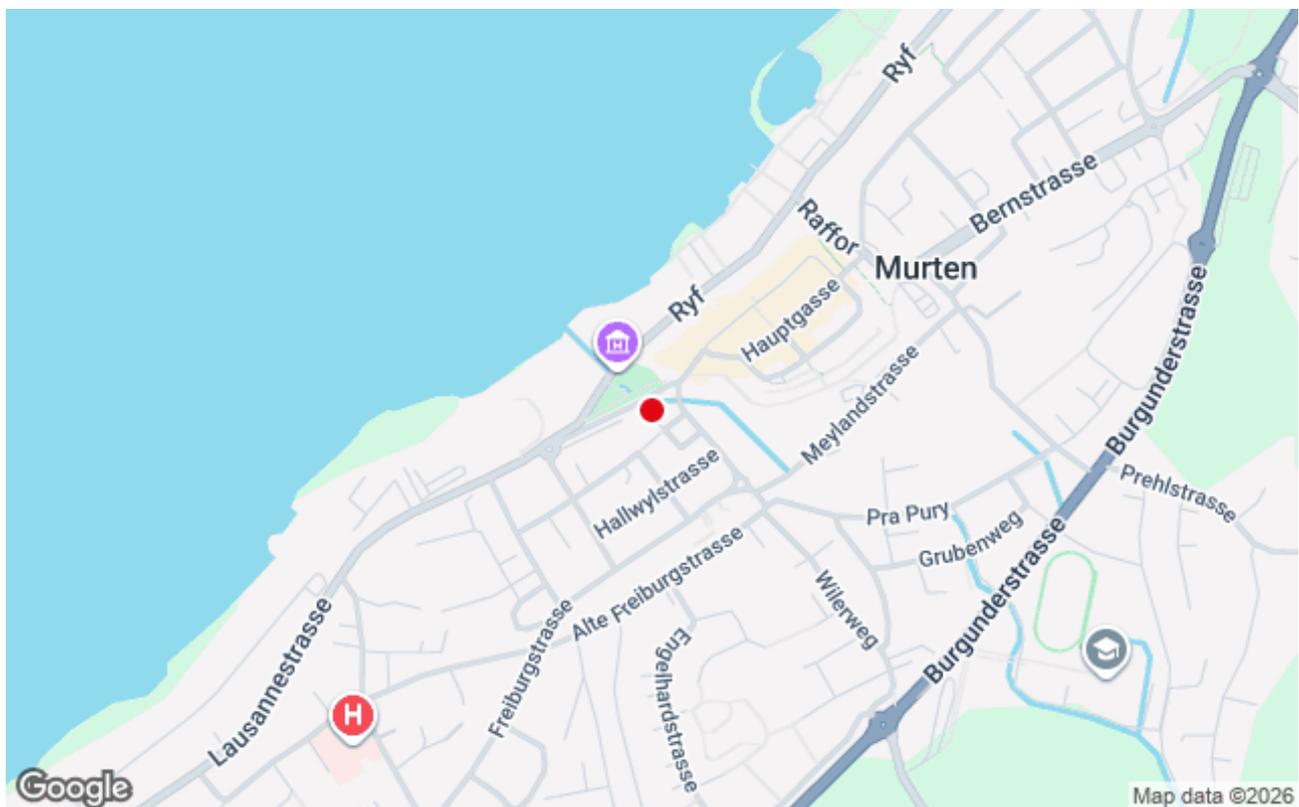

For those who wish to stay longer, the Cozy Rooms offer charming boutique rooms and apartments with views over the rooftops of the old town or of Lake Murten. They provide the perfect base for discovering the region – or simply enjoying the special atmosphere of the Kornhaus a little longer.
